

TERMS OF SERVICE POLICY – GOSFIELDTEL.COM

Introduction

This Internet Acceptable Use Policy ("Policy") sets out the principles, terms and conditions that govern the use by GOSFIELDTEL.COM Customers of the networks, systems, services and products provided by GOSFIELDTEL.COM. The Policy has been established to protect our Customer's use of the Internet and to promote the integrity, security, reliability and privacy of GOSFIELDTEL.COM's networks and systems.

GOSFIELDTEL.COM retains the right to modify the Policy at any time and any such modification shall be automatically effective as to all Customers when adopted by GOSFIELDTEL.COM.

The Customer acknowledges and agrees that it is their sole responsibility to make themselves aware of this Acceptable Use Policy and any and all subsequent revisions.

Use of GOSFIELDTEL.COM Internet the customer agrees to abide by this POLICY

Compliance With Law

Customers shall not post, transmit, retransmit or store material on or through any of GOSFIELDTEL.COM's networks, systems, services or products that:

- is in violation of any municipal, provincial, federal, international or any other law or regulation;

- threaten, harass, or are obscene, indecent, defamatory, hateful or that otherwise could adversely affect any individual, group or entity (collectively, "Persons"); or

- violate the rights of any Person, including privacy rights and rights protected by copyright, trademark, trade secret, patent or other intellectual property or similar laws or regulations including, but not limited to, the installation or distribution of "pirated" or other software products that are not appropriately licensed for use by Customer.

Prohibited Uses of GOSFIELDTEL.COM's Systems, Services and Products

This Policy identifies the uses and actions that GOSFIELDTEL.COM considers to be unacceptable and/or abusive, and thus, strictly prohibited. In addition to the other requirements of this Policy, the Customer may only use GOSFIELDTEL.COM's networks, systems, services and products in a manner that, in GOSFIELDTEL.COM's sole judgment, is consistent with the purposes of such networks, systems, services and products. The examples of prohibited uses identified below are non-exclusive and are provided, in part, for guidance purposes.

The following uses of GOSFIELDTEL.COM's networks, systems, services and products are expressly prohibited:

Prohibited Actions: General Conduct

Transmitting on or through any of GOSFIELDTEL.COM's networks, systems, services, or products any material that is, in GOSFIELDTEL.COM's sole discretion, unlawful, obscene, threatening, harassing, abusive, libelous, or hateful, or encourages conduct that may constitute a criminal offense, may give rise to civil liability, or otherwise may violate any municipal, provincial, federal, international or other law or regulation.

Transmission, distribution, or storage of any information, data or material in violation of federal or provincial regulations or laws, or of the common law.

Violations of the rights of any Person protected by copyright, trademark, trade secret, patent or other intellectual property or similar laws or regulations.

Violations of the rights of any person protected by privacy, nuisance or trespass laws or regulations.

Actions that restrict or inhibit any Person, whether a Customer of GOSFIELDTEL.COM or otherwise, in its use or enjoyment of any of GOSFIELDTEL.COM's networks, systems, services or products.

Resale of GOSFIELDTEL.COM's services and products, without the prior written consent of GOSFIELDTEL.COM.

Deceptive on-line marketing practices.

Furnishing false data for the sign-up application, including fraudulent use of credit card numbers (such conduct is ground for immediate termination and may subject the offender to civil or criminal liability).

Prohibited Actions: System and Network Security

Attempting to circumvent user authentication or security of any host, network or account ("cracking"). This includes, but is not limited to, accessing data not intended for the

Customer, logging into a server or account the Customer is not expressly authorized to access, or probing the security of other networks.

Effecting security breaches or disruptions of Internet communications. Security breaches include, but are not limited to, accessing data of which Customer is not an intended recipient or logging onto a server or account that Customer is not expressly authorized to access. For purposes of this section, "disruption" includes, but is not limited to, port scans, ping floods, packet spoofing, forged routing information, deliberate attempts to overload a service, and attempts to "crash" a host.

Using any program/script/command, or sending messages of any kind, designed to interfere with a user's terminal session, by any means, locally or by the Internet.

Executing any form of network monitoring which will intercept data not intended for Customer.

Prohibited Actions: E-mail

Harassment, whether through language, frequency, or size of messages, is prohibited.

Sending unsolicited mail messages, including the sending of "junk mail" or other advertising material to individuals who did not specifically request such material ("e-mail spam"). Customers are explicitly prohibited from sending unsolicited bulk mail messages. This includes, but is not limited to, bulk mailing of commercial advertising, informational announcements and political messages. Such material may only be sent to those who have explicitly requested it. If a recipient asks to stop receiving e-mail, the Customer must not send that person any further e-mail.

Creating or forwarding "chain letters" or other "pyramid schemes" of any type, whether or not the recipient wishes to receive such mailings.

Malicious e-mail, including, but not limited to, "mailbombing" (flooding a user or site with very large or numerous pieces of e-mail).

Unauthorized use, or forging, of mail header information.

Using any GOSFIELDTEL.COM or Customer account to collect replies to messages sent from another provider.

Use of unsolicited e-mail originating from GOSFIELDTEL.COM network or networks of other Internet service providers on behalf of, or to advertise any service hosted by GOSFIELDTEL.COM, or connected via GOSFIELDTEL.COM network.

Willful failure to secure open SMTP ports so as to prevent the unauthorized use of Customer resources for the purposes of sending unsolicited e-mail by a third party.

Prohibited Actions: Usenet Newsgroups

Posting the same or similar messages to large numbers of Usenet newsgroups ("Newsgroup spams or Usenet spam").

Posting chain letters of any type.

Posting encoded binary files to newsgroups not specifically named for that purpose.

Cancellation or superseding of posts other than your own, with the exception of official newsgroup moderators performing their duties.

Forging of header information. This includes attempting to circumvent the approval process for posting to a moderated newsgroup.

Solicitations of mail for any other e-mail address other than that of the poster's account or service, with intent to harass or to collect replies.

Postings that are in violation of the written charters or FAQ's for those newsgroups.

Posting of Usenet articles from GOSFIELDTEL.COM's network or networks of other Internet service providers on behalf of, or to advertise any service hosted by GOSFIELDTEL.COM, or connected via GOSFIELDTEL.COM network.

Failure to secure a news server so as to prevent the unauthorized use of Customer resources by a third party which may result in Usenet posts, which violate this Policy.

Advertisements posted in newsgroups whose charters/FAQ's explicitly prohibit them. The poster of an advertisement or other information is responsible for determining the etiquette of a given newsgroup, prior to posting to it.

Accounts Prohibited Actions: Individual

Attempting to circumvent the 'idle time-out' or time on-line accounting, or attempts to run programs while not logged in by any method, are prohibited.

Consuming excessive resources, including CPU time, memory, disk space, and session time. The use of resource-intensive programs that negatively impact other system users or the performance of NRTCO.NET systems or networks is prohibited, and GOSFIELDTEL.COM staff may take action to limit or terminate such programs.

Sharing of Internet passwords or accounts with others.

Enforcement

GOSFIELDTEL.COM reserves the right to monitor the network and associated services to ensure there are no adverse effects on the network or services. GOSFIELDTEL.COM may, in its sole discretion, suspend or terminate a Customer's service for violation of any provision of this Policy at any time and without warning. GOSFIELDTEL.COM's determination whether such violation occurred will be final and conclusive. As a general matter, GOSFIELDTEL.COM attempts to work with customers to cure violations and to ensure that there is no reoccurrence of the violation prior to terminating service.

Liability

The Customer acknowledges that, in addition to any other remedy provided to GOSFIELDTEL.COM, GOSFIELDTEL.COM shall be entitled to claim from the Customer damages for any loss incurred by GOSFIELDTEL.COM or its customers as a result of the Customer being in breach of this Policy. The Customer further acknowledges that if the breach or threatened breach of any provision of this Policy will cause GOSFIELDTEL.COM significant and irreparable harm, that injunctive relief is accepted by the Customer as an appropriate remedy for any and every breach of this Policy.

In no event will GOSFIELDTEL.COM be liable to any Customer or third party for any direct, indirect, special or other consequential damages for actions taken pursuant to this Policy, including, but not limited to, any lost profits, business interruption, loss of programs or other data, or otherwise, even if GOSFIELDTEL.COM was advised of the possibility of such damages.

Miscellaneous

GOSFIELDTEL.COM retains the right to modify the Policy at any time and any such modification shall be automatically effective as to all Customers when adopted by GOSFIELDTEL.COM

The actions listed herein are also not permitted by Internet Service Providers. Deceptive marketing of any kind whatsoever is not permitted through GOSFIELDTEL.COM's networks, systems or services. This Policy applies to other types of Internet-based distribution mediums as well.

GOSFIELDTEL.COM is not responsible for the content posted on the Internet, whether or not the posting was made by a Customer of GOSFIELDTEL.COM and GOSFIELDTEL.COM expressly disclaims any and all liability of any kind whatsoever for any Customer information or content.

At its sole discretion, GOSFIELDTEL.COM reserves the right to remove materials from its servers and to terminate Internet access to any Customer that GOSFIELDTEL.COM determines has violated this Policy in addition to any other rights or remedies it may have at law or at equity.
